What's taking off in the world of hair

Get Glossed!

Sleek, polished hair was a huge hit on the fall runways. We've rounded up some goodies to take your clients' manes from dreary drab to silky fab.

Formulated with a proprietary blend of kukui oil and silk amino acids, **NIOXIN SMOOTHING REFLECTIVES STYLING GEL** leaves coarse manes moisturized and gleaming.

Infused with Silk Luxe Complex, **REDKEN ALL SOFT GOLD GLIMMER** leave-in gel smooths dry, brittle hair and leaves thirsty strands glossy, soft and frizz-free.

KENRA CLEAR PASTE is filled with glycerine and castor oil to create sleek, smooth styles with pliable texture.

Ensure that her hair is glazed and glistening as she walks out the door with fast-drying, frizz-busting and static-banishing **GHD REFLECTION SPRAY**.

Part of the **SEXY HAIR** Straight Sexy Hair line, **SMOOTH & SEAL** locks out moisture and seals in super shine.

Even curly girls can have lustrous locks! **DEVACURL SET IT FREE** banishes frizzies while adding radiance and defining coils.

Alcohol-free and non-oily, **AG HAIR COSMETICS LIQUID VARNISH** incorporates phenyl trimethicone to polish her tresses to the nth degree.

Made to protect and seal the hair cuticle, **GRAHAM WEBB VIVID COLOR REPARATIVE SHINE** leaves locks looking shiny, silky and smooth.
